# Sustainable Solutions Tours

## BUILDING A POSITIVE FUTURE

Learn about the creative initiatives rising in our community.

Discover a hopeful future unfolding.

Be inspired by nature's genius.

Find steps to live into a sustainable future.

### SUSTAINABLE SOLUTIONS

#### FOOD Tour

Saturday, October 14, 2017

9:00 AM to 12:00 NOON

This tour offers a first hand experience of the exciting things happening in our community to increase sustainable food choices and provide a healthier food future. We will meet with leading food experts when we visit sites that model sustainable organic urban farming, community gardening, and local foods projects.

### SUSTAINABLE SOLUTIONS

#### WATER Tour

Saturday, March 10, 2018

9:00 AM to 12:00 NOON

Come along on this tour to see where our community acquires and disposes of its water as we look at ways to make our waterways healthier for consumption and recreation. We tour the Louisville Water Company, Metropolitan Sewer District facilities, experience rain gardens, wetland restoration, and learn about the life cycle of our water.

### SUSTAINABLE SOLUTIONS

#### TRANSPORTATION Tour

Saturday, May 19, 2018

9:00 AM to 12:00 NOON

Get on board this tour to see what our community is doing to make transportation options more sustainable as we transition to becoming more environmentally friendly. We will speak with leaders and visit sites that model sustainable transportation options such as electric and human powered vehicles and infrastructure improvements.

- Tour Guide: Tim Darst
- Suggested donation: \$5-\$50 (workshop valued at \$50). Donations collected on day of the tour. A \$20 administrative fee will be assessed for cancellations within 7 days of the workshop.
- Transportation will be provided. Seats are limited and pre-registration is required.
- This reduced fee is made possible by generous grants from the Sisters of Charity of Nazareth, The Owsley Brown III Philanthropic Foundation, and the Kalliopeia Foundation.
